BASIC IDIOMS FOR SPEAKING

FREE PRINTABLE RESOURCES

@theenglish.room

Hi there!

I'm sure these will come in useful!

¡Este repartido contiene algunos de los idioms más frecuentes para que puedas hablar inglés más como un nativo.

Los idioms son dichos, modismos o una expresión fija que no se puede entender literalmente a partir de las palabras que la componen. En español podemos encontrar muchos ejemplos como "no tires la toalla" o "te vas para arriba como pedo de buzo".

¿Y cómo los aprendo?

No si seguís estos consejos:

- 1) Bring them to life! Dale sentido pensando en situaciones de tu vida en las cuales podrías usarlas. Apréndelas in context.
- 2) Actúa. Aprende a sentirte comod@ usándolas, nada de vergüenza. ¡Desde hoy son tuyas!
- 3) Menos en más. Fracciona la lista, aprende 3 cada día. No intentes recordarlas todas de una.
